Child/Adolescent/Adult Licensed Psychiatrist

Sebastian Family Psychology Practice, LLC., seeks to hire the services of a Licensed Psychiatrist that has the following skills.

The desire and drive to work with underserved populations in a multidiscipline, trans-cultural setting, where a diverse population of a multi ethnic professionals and multi specialty clinicians, work together in an integrated service delivery model, intended to maximize outcomes. The successful psychiatrist will provide professional services to the agency's clinicians and collaboratively work with the clinical and administration team to meet the needs of children, adolescents, and adults referred to the clinics.

The clientele also includes a special population of various ethnic backgrounds. These include South East Asian populations of Hmong and Burmese. This also includes Africans, Ukrainians, Afghanistanis, Iraqis, and other Middle Easterner refugees. The hired psychiatrist will enjoy a dynamic environment that is respectful, versatile, and progressive in its service delivery model.

Terms of Engagement:

Will include the role of a consultant/independent contractor, not an employee.

Reimbursement:

Will be negotiated in keeping up with a competitive compensation and yet, with multiple secondary gains to the hired consultant.

Opening Period:

Immediate hire is sought to fill an essential need.
